(Note: Only a section 501(c)(7), (8), or (10) organization can check box(es) for both the General Rule and a Special Rule - see instructions.) General Rule -For organizations filing Form 990, 990-EZ, or 990-PF that received, during the year, \$5,000 or more (in money or property) from any one contributor. (Complete Parts I and II.) Special Rules -X For a section 501(c)(3) organization filing Form 990, or Form 990-EZ, that met the 33 1/3% support test of the regulations under sections 509(a)(1)/170(b)(1)(A)(vi) and received from any one contributor, during the year, a contribution of the greater of \$5,000 or 2% of the amount on line 1 of these forms. (Complete Parts I and II.) For a section 501(c)(7), (8), or (10) organization filing Form 990, or Form 990-EZ, that received from any one contributor, during the year, aggregate contributions or bequests of more than \$1,000 for use exclusively for religious, charitable, scientific, literary, or educational purposes, or the prevention of cruelty to children or animals. (Complete Parts I, II, and III.) For a section 501(c)(7), (8), or (10) organization filing Form 990, or Form 990-EZ, that received from any one contributor, during the year, some contributions for use exclusively for religious, charitable, etc., purposes, but these contributions did not aggregate to more than \$1,000. (If this box is checked, enter here the total contributions that were received during the year for an exclusively religious, charitable, etc., purpose. Do not complete any of the Parts unless the General Rule applies to this organization because it received nonexclusively religious, charitable, etc., contributions of \$5,000 or more Caution: Organizations that are not covered by the General Rule and/or the Special Rules do not file Schedule B (Form 990, 990-EZ, or 990-PF), but they must check the box in the heading of their Form 990, Form 990-EZ, or on line 1 of their Form 990-PF, to certify that they do not meet the filing requirements of Schedule B (Form 990, 990-EZ, or 990-PF).

For Paperwork Reduction Act Notice, see the Instructions for Form 990 and Form 990-EZ.

Schedule B (Form 990, 990-EZ, or 990-PF) (2002)

If a section 501(c)(7), (8), or (10) organization received contributions or bequests for use exclusively for religious, charitable, etc., purposes (sections 170(c)(4), 2055(a)(3), or 2522(a)(3)) -

List in Part I each contributor whose contributions total more than \$1,000 during the year that were for a religious, charitable, etc., purpose. To determine the \$1,000, aggregate all of a contributor's gifts for the year (regardless of amount). For a noncash contribution, complete Part II.

All section 501(c)(7), (8), or (10) organizations that received any charitable contributions and listed any charitable contributors on Part I must also complete Part III

If a section 501(c)(7), (8), or (10) organization received charitable gifts, but is not required to list any charitable contributors on Part I, check the box on line A at the top of Schedule B (Form 990 or 990-EZ) and enter the amount of charitable contributions received in the space provided. The organization need not complete and attach Part III.

Specific Instructions

Note: You may duplicate Parts I, II, and III if more copies are needed. Number each page of each Part.

Part I. In column (a), identify the first contributor listed as no. 1 and the second contributor as no. 2, etc.

Number consecutively. Show the contributor's name, address, aggregate contributions for the year; and the type of contribution (e.g., whether an individual, payroll, or noncash contribution). Report payroll contributions by listing the employer's name, address, and total amount given (unless an employee gave enough to be listed individually).

Part II. In column (a), show the number that corresponds to the contributor's number in Part I. Describe the noncash contribution fully. Report on property with readily determinable market value (i.e., market quotations for securities) by listing its fair market value (FMV). For marketable securities registered and listed on a recognized securities exchange, measure market value by the average of the highest and lowest quoted selling prices (or the average between the bona fide bid and asked prices) on the contribution date. See Regulations section 20,2031-2 to determine the value of contributed stocks and bonds. When market value cannot be readily determined, use an appraised or estimated value. To determine the amount of a noncash contribution that is subject to an outstanding debt, subtract the debt from the property's fair market value.

Part III. Section 501(c)(7), (8), or (10) organizations that received contributions or bequests for use exclusively for religious, charitable, etc., purposes must complete Parts I through III for those persons whose gifts totaled more than \$1,000 during the year. Show also, in the heading of Part III, total gifts that were \$1,000 or less and were for a religious, charitable, etc., purpose. Complete this information only on the first Part III page.

If an amount is set aside for a religious, charitable, etc., purpose, show in column (d) how the amount is held (e.g., whether it is mingled with amounts held for other purposes). If the organization transferred the gift to another organization, show the name and address of the transferee organization in column (e) and explain the relationship between the two organizations.

VISUAL ARTS PROGRAM

Expenses----- \$158,240

The following programs were initiated by the organization

1. The Future of the Present 2003, a series of live art on the Internet presentations by international artists were produced in an array of New York State venues.

Recording the Work of Franklin Furnace 2003, a program whereby digital records
of artists books, temporary installations, performance art, netcasts and "live art on
the Internet" were assembled and developed in conformity with the standards of
the Conceptual and Intermedia Arts Online (CIAO) consortium.

 Archives of the Avant-Garde 2003 continued developing plans to survey the location, legal status, quantity and condition of archives of artists' groups and organizations that flourished in lower Manhattan after 1960, in order to build a location database.

4. Franklin Furnace Fund for Performance Art 2003-2004, a program of giving grants to international artists selected by peer panel review to enable them to prepare major performance art works in New York State.

EDUCATION PROGRAM

Expenses ----\$ 23,909

Franklin Furnace has sponsored arts-in-education workshops in New York City public schools led by professional artists, performance artists, videographers, photographers, animators and collectors in a program entitled Sequential Art for Kids (SAK). The program continues to emphasize literacy by using sequential art media to enhance cognitive development among children.

Two video artists worked with SAK this year, reinforcing the curriculum goals of the English as a Second Language program at PS 52 in Sheepshead Bay, Brooklyn.

A collector/artist presented an object-based manipulative learning program that helps recent immigrants become excited about learning language and other skills such as tolerance and acceptance.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Franklin Furnace Archive, Inc.

We have audited the accompanying statements of financial position of Franklin Furnace Archive, Inc. as of July 31, 2003 and 2002 and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of Franklin Furnace Archive, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Franklin Furnace Archive, Inc. as of July 31, 2003 and 2002 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements July 31, 2003 and 2002

Note 1 - Summary of Significant Accounting Policies

Business

Franklin Furnace Archive, Inc. (the "Organization") is a non-profit corporation chartered by the State of New York. Franklin Furnace Archive, Inc. provides a public archive of books produced by artists as artworks, and maintains an exhibition space for such works; catalogs and preserves examples of artists' books; curates and rents traveling exhibits of artists' books; exhibits rare artists' books and collections seldom seen by the public; provides performance space for artist-writers; provides information and encourages exchange of information between the artistic community and the public. The Organization receives its funding primarily from government, foundation and corporate sponsors.

Fair Value of Financial Instruments

The carrying amount of cash, certificate of deposit, grants receivable, payroll taxes payable, and accounts payable and other liabilities reported in the statement of financial position approximates fair value due to the short-term maturity of these financial instruments. The carrying amount of notes payable approximates fair value as it bears market interest rates.

Promises To Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

The Organization uses the allowance method to determine uncollectible promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

Notes to Financial Statements July 31, 2003 and 2002

Note 1 - Summary of Significant Accounting Policies (continued)

Investment in Securities

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains or losses are included in the change in net assets.

Property and Equipment

Property and equipment are stated at cost. Depreciation is provided by the straight-line or accelerated method over the estimated useful lives of the assets.

Concentration of Credit Risk

Financial instruments that potentially subject the Organization to credit risk consist principally of cash in financial institutions, which from time to time, exceeds Federal deposit insurance limits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.
